

Bridgewater Credit Union to Close in Dover

We would like to extend our sincere best wishes to everyone at Bridgewater Credit Union as they begin the 90 day transition of closing their Dover Office. BCU has been a neighbor and friend.

Following the closing of Bank of America in Dover, we were fortunate enough to be able to move into their abandoned location. With the announced closing of BCU, we have seen the banking landscape in Dover change dramatically in a very short period of time.

Please be assured that we have no plans of leaving Dover. We've invested significantly in our office, most recently installing a drive through window as well as an outside ATM for added convenience. Our Dover Office is managed by Sandra Marcantuono, who has spent 20 years in banking right here in Dover.

For those of you who have banked at BCU and wish to learn more about our bank, we hope you will visit us at NeedhamBank.com and stop in to see Sandra. Or directly contact Chris Teachout at CTeachout@NeedhamBank.com or 781-474-5476 to schedule time to meet with a personal banker who would be happy to meet with you at your home or office, before, during, or after banking hours to discuss our products or to help you with the paperwork to open new accounts.

Needham Bank is committed to Dover and we take great pride in the 19 community organizations we support here. We're here for the long haul and we'd be honored to be your bank. We look forward to the opportunity to serve you.
